Nestled in the peaceful village of Cemagi, Mengwi, this villa offers a balance of modern design, tropical living, and beautiful natural surroundings. Set on 700 sqm of land with 240 sqm of living space across two levels, the property enjoys uninterrupted rice field views thanks to its position bordering a protected green zone. Despite its tranquil setting, the villa is just a short drive from Cemagi Beach, as well as Canggu's vibrant cafés, restaurants, and popular beach clubs. Located within a mixed-use zoning area, the property also offers excellent potential for Airbnb and short-term rental investment.

Designed for comfort and functionality, the villa features three spacious ensuite bedrooms, an open-plan kitchen with a central island, and a sunken living area complete with a projector entertainment system. A private sauna with a shower provides a relaxing wellness space, while additional features such as an underground wine cellar and a fully equipped gym add extra convenience and character to the home.

The outdoor area features a 40 sqm swimming pool, outdoor showers, and a spacious BBQ terrace overlooking the lush rice fields. Offered fully furnished and move-in ready, the villa is equipped with nine air-conditioning units, a water filtration system, and a 53 kW electricity supply to ensure everyday comfort. Combining modern architecture, practical amenities, peaceful surroundings, and strong investment potential, this property presents an excellent opportunity to own a home in one of Bali's desirable coastal areas.
